

Oso Lake Boy Scout Camp

Pack 850 Campout - Sept. 18-20, 2009

About Oso Lake

Fishing... as American as apple pie and baseball. Oso Lake is a young fisherman's paradise. With 100-acre lake and 15 acres of land, Oso Lake offers many programs: water conservation, catch-and-release bass fishing, boating, paleontology and camping skills. Located near Rancho Santa Margarita and surrounded by O'Neill Regional Park, Oso Lake is easily accessible to all units. Located in the heart of Orange County, Oso Lake is quickly becoming one of the most popular water front camps in Southern California. The facilities also feature an archery range, sling shots, tomahawks and BB guns

The camping areas are currently being developed. As of January 2006, the campsites are covered in a soft layer of woodchips, potable water is available from a spigot and port-o-johns are located adjacent to the camping areas There is limited shade and no electricity in the camping areas at this time.

Location & Directions

Camp Address:

21131 Los Alisos Blvd Rancho Santa Margarita, CA 92688-3242

From El Toro Road and the 5 Freeway-Exit the freeway and head east on El Toro Road (towards Saddleback Mountain).
